## News from RLS

*April 2017 – for immediate release*

### We are now accepting credit card payments

We are happy to announce that we have implemented a new payment method on our magnetic encoder web store [www.rls.si](http://www.rls.si). In addition to PayPal and wire transfer payment methods, you can now purchase our products with your credit card: Maestro, MasterCard, Visa and Discover. The payments are processed by Braintree – a leading provider of gateway services.

This new payment method, as well as the upgrade to a secure environment for payments (SSL Certificate) will make our magnetic encoder solutions accessible to everyone and provide our customers with a more seamless shopping experience.

Now you can buy our products using your:

- **Credit card, all major credit cards accepted: Visa, MasterCard, Discover, Maestro etc.**
- PayPal account or
- Wire transfer.

The RLS web store has been redesigned with one-page-checkout landing page to give the customers unique user experience and the customer has the option to purchase without registration (as a guest). The web site has also been granted the GeoTrust SSL Extended certificate.

RLS online store currently delivers to EU, Norway, Switzerland, Canada, USA and Australia. Outside these countries please contact your local distributor, more at [www.rls.si/support](http://www.rls.si/support).

RLS is a world leader in the development of high performance magnetic encoder feedback solutions and together with its associate company Renishaw offers worldwide sales and technical support.
